2025 AACI MEETINGS & CONFERENCES

2025 AACI Catchment Area Data Excellence (CADEX) Conference **January 29-31, 2025**

Coronado Island Marriott Resort & Spa | Coronado, CA

This 3-day event will convene cancer center catchment area data experts with others who support cancer centers through data analysis and community engagement. Attendees will share best practices in data collection, handling, dissemination, and utilization, while exploring policies and methodologies to advance cancer center catchment area analytics.

17th Annual Clinical Research Innovation (CRI) Meeting **June 23-25, 2025**

Loews Chicago O'Hare Hotel | Rosemont, IL

The Clinical Research Innovation (CRI) annual meeting is designed to improve the clinical research process; understand the global impact of conducting clinical research; discuss trends in clinical trials safety and compliance; and recommend policies to promote staff retention at AACI cancer centers.

This 3-day meeting includes panel discussions, breakout sessions, networking, and presentations of abstracts and posters. All sessions encourage the development of solutions and best practices for the clinical trials office.

2025 AACI/CCAF Annual Meeting **October 19-21, 2025**

Salamander Hotel | Washington, DC

This 3-day meeting offers AACI members an opportunity to network with cancer center colleagues, national cancer research and advocacy groups, industry, and government health agencies to develop solutions to common challenges. The conference also features a government relations forum, a meeting for new cancer center directors, and a diversity, equity, and inclusion (DEI) summit.

2025 AACI WORKSHOPS & SUMMITS

AACI Leadership Diversity and Development Workshop

2025 AACI Leadership, Diversity, and Development Workshop March 11-12, 2025

Loews Chicago O'Hare Hotel | Rosemont, IL

This 2-day event will convene a diverse group of emerging leaders from AACI cancer centers for didactic and experiential leadership development sessions. Each AACI cancer center director selects emerging leaders from their center to attend. The event is a component of the Leadership Diversity and Development Initiative, the presidential initiative of AACI Immediate Past President Caryn Lerman, PhD, director of USC Norris Comprehensive Cancer Center.

2025 Diversity, Equity, Inclusion (DEI) Summit

The 2025 DEI Summit, hosted in partnership with the American Cancer Society and the Cancer Center DEI Network, will be held in Washington, DC, in October 2025, in conjunction with the 2025 AACI/CCAF Annual Meeting.

The DEI Summit will convene cancer center leaders, researchers, and administrators to share insights on how institutions are enhancing DEI efforts. This 2-day event will feature discussions on leveraging institutional commitment, navigating DEI policy changes, data metrics and climate surveys, and how to work together to advocate for resources, both internally and externally.
